Executive Summary

A dedicated and resilient B.Tech Cyber Security student with a strong academic foundation in programming, networking, and security fundamentals. Passionate about continuous learning, building practical projects, and developing skills that create meaningful impact in the field of cybersecurity.

Education

- Bachelors in Computer Science Engineering (Cyber Security) – Dhanalakshmi Srinivasan Engineering College, 2024 - 2027 (CGPA: 7.5)
 - Diploma – Dhanalakshmi Srinivasan Polytechnic College, 2021 - 2024 – 72%
 - SSLC – Sowma Public School, 2017 - 2018 – 45%
-

Strength

Professional

- Strong problem-solving and debugging skills.
- Sound technical knowledge in programming and cybersecurity.
- Hands-on experience building Python-based security tools.

Personal

- Passionate to update day to day technical knowledge.
 - Fast learner with a growth mindset.
 - Disciplined and team-oriented.
-

Software Knowledge

- Java Programming (Certified – Core Java, OOP)
 - C++ Programming
 - Python Programming (Sockets, Requests)
 - Networking Fundamentals
 - Web Development Basics (HTML, CSS)
 - Microsoft Word, PowerPoint, Excel
 - VS Code, SQLite
 - Cybersecurity Tools (Port Scanner, URL Checker)
-

Projects

- Student Management System – Built a Python application to add, update, and delete student records in a structured format, demonstrating basic database-like operations. Tools: Python, File Handling / SQLite, VS Code.
 - URL Status Checker – Developed a Python tool that sends HTTP requests and verifies response codes to monitor website availability, demonstrating networking concepts. Tools: Python, Requests Library.
 - Port Scanner – Created a Python-based port scanner that identifies open ports on a target system to highlight potential network vulnerabilities. Tools: Python, Socket Library.
-

Conference & Achievements

- Completed a Certified course in Java Programming covering Core Java, OOP, Collections, and Exception Handling.
 - Completed a course in Cybersecurity Fundamentals – introduction to network security and ethical hacking.
-

Technical Interests

- Penetration Testing
- Digital Forensics
- Network Security
- Web Application Security
- Web Design

Languages

- Tamil – [Read - Write - Speak] – Mother Tongue
- English – [Read - Write - Speak]

Personal Details

Father Name – Muniyandi M
Mother Name – Subbulakshami M
Date of Birth – 01.02.2002
Sex – Male
Marital Status – Single
Nationality – Indian

Declaration

I hereby declare that the above enclosed information is correct up to my knowledge and I bear the responsibility for the correction of the above-mentioned particulars.
